

RCTv can go... where YOU go!

As RCTv subscriber you have access to Watch TV Everywhere! WTVE is a free service that allows you to watch your favorite shows on any computer or mobile device with Internet!

How to Register:

1. Go to tnics.com. Choose *Product and Services* and under *Digital TV*, choose *Watch TV Everywhere* or you can go to watchtveverywhere.com
2. Click on the drop-down menu labeled "Select Your TV Provider" and choose RC Technologies
3. Click Register
4. Enter your RC account number (including zeros) and the last name exactly as it appears on your RC Technologies bill. Enter in the verification code, your name, contact information, and create a password (must be least six characters long). Remember your password – you'll need it to log-in. RC does not store passwords.
5. Click Register

After completing the step above, you will receive an email with a link to finish your registration. You will need to click on that link to activate your registration.

How to Access Programming:

1. On your device, go to www.watchtveverywhere.com
2. Enter your email and password and click log in
3. Once logged in, click on the logo of the channel you would like to watch
4. You can also access content by going directly to the channel website and/or by downloading the app for the channel you would like to view if available. You will still need your email and password you created.

Please note: Watching content on your mobile device may count against your device's data service plan. It is best to check your data plan first or connect to Wi-Fi before accessing content. You are responsible for all fees charged by your mobile carrier.
