The Future Home of RC Technologies

Former New Effington Elementary School Building will be the New Home for RC

When news came the New Effington Elementary School building (which had been closed for 4 years) was going up for auction, RC Board of Directors decided they should bid on it. RC was able to purchase it and are now the new owners of the building.

RC will put the 16,546 square foot building with 13+ acres to good use. Moving the home office, located on Main Street in New Effington to just down the road near the entrance of the town, will allow RC to have its New Effington employees and equipment under one roof. The transition will not be immediate. It will take one and a half to two years to complete.

Future plans for the new location will include a space dedicated to demonstrating technology—how it will assist people in daily activities and in the management of homes and businesses. Once RC has utilized needed space at the new location, the remaining space will be available for rent, which may be ideal for a daycare or preschool setting.

The Main Street offices will be rented once RC vacates. This well-maintained building with multiple offices would be a good opportunity for an insurance agent, massage therapist, or hairstylist to have office space in. If you are interested in either opportunity, call RC at 637-5211 and ask for Scott Bostrom.
Statement of Nondiscrimination
RC Technologies is the recipients of federal financial assistance from the Rural Utilities Service, an agency of the U.S. Department of Agriculture. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or a part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA’s TARGET Center at (202) 720-2600 (voice and TDD).

The person responsible for coordinating these organizations’ nondiscrimination compliance efforts is Scott Bostrom, General Manager. To file a complaint of discrimination write to: USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.

2019 FRS College Scholarship
Deadline: March 1, 2019

Foundation for Rural Service will be awarding $125,000 in scholarships in honor of 25th Anniversary

FRS was established in 1994 and, through its partnership with the National Telecommunications Cooperative Association (NTCA), promotes, educates and advocates to the public, rural telecommunications issues in order to sustain and enhance the quality of life within communities throughout rural America. In keeping with its mission, furthering the education of rural youth is one of the Foundation’s primary focuses. The application is available for the following year for a scholarship opportunity being offered from the Foundation for Rural Service (FRS). RC Technologies is a member of NTCA and are proud to support FRS in this worthy endeavor.

In 2019, FRS will be awarding $125,000 in scholarships in honor of the Foundation's 25th anniversary. Each year, the foundation gives out scholarships to an exceptional group of rural students for their first year of college or vocational school.

The scholarship awarded is per geographic region of the NTCA member awarding scholarships, $2,000 each, to rural high school seniors. Should a student from the RC service area be selected to receive one of the national scholarships, RC will contribute an additional $500 to the scholarship, bringing the total one-time scholarship award to $2,500. Interested high school seniors may pick up an application from their guidance counselor or download an application from the FRS website, www.frs.org.

New this year, two copies of completed application (an original and a copy) each including all material on the application checklist must be submitted and sent directly to FRS, postmarked no later than March 1, 2019. Note: Both applications must bear the signature of Scott Bostrom, RC’s General Manager, to be considered eligible. Contact RC Technologies to obtain the required information and signature on that page.

It's Okay, to Break Up with your Landline.
Due to a change in federal regulations, you are no longer required to have a landline phone.

With RC's new packages, people who are wanting to cut the cord and remove their landline phone can do just that.

To find out more about removing your landline, call RC at 637-5211, or email RC at csrs@tnics.com. Some restrictions may apply.
Love Sports? Animals? Appetizers? RCTv has A LOT in store for you this month! Begin by watching our furry friends tackle each other on the playing field to get you pumped up for Sunday’s Big Game— and those laugh-out-loud commercials!

It all begins Saturday, February 2nd with the **Puppy Bowl Presents: The Dog Bowl II** at 7 p.m. on the **Animal Planet**, Channel 116. Then flip to **Hallmark Channel**, Channel 83, at 9 p.m. for the **1st Annual Cat Bowl**!

While you’re getting the appetizers ready for Sunday’s Big Game, entertain the kids by tuning to **Hallmark**, Channel 83, **Kitten Bowl VI**. Then flip to **Animal Planet** on Channel 116 at 2 p.m. for **Puppy Bowl XV**, before the kickoff of the game between Rams and Patriots in **Super Bowl LIII** at 5:30 p.m. on **CBS**, Channel 3!

Remember to tune into **Food Network**, Channel 88, and the **Cooking Channel**, Channel 89, for fun ideas and new recipes.
