## How to Search To See if a Movie is ON DEMAND

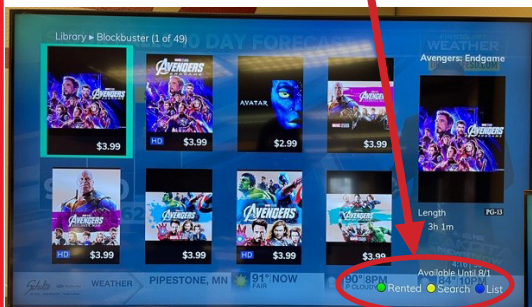

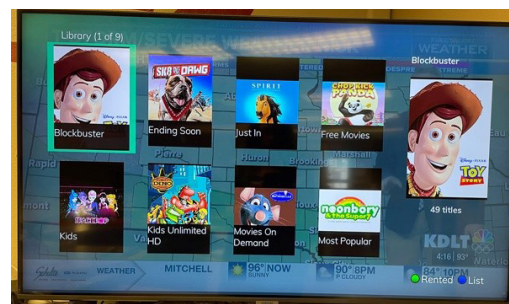

Ever wanted to do a "search" on a movie to see if it was ON DEMAND?

Follow these easy steps to learn how...

1. Press the **ON DEMAND** button.
2. Once in the LIBRARY (whether you see a List movies or a Grid), press the OK button on your remote.
3. At the bottom lefthand corner of this screen, you will see 3 small buttons/prompts:

Rented Search Grid (or List)

Press the yellow circle button on RCTV Tiny Button remote or the yellow triangle on the RC's Big Button remote to do a **Search**.

4. On the next screen, a keypad will appear with a movie title already in it. **First, use your back arrow to get to the keypad.** To clear the keypad, press the green circle button (or green diamond button) on your remote. Next, type the movie title you are searching, press ok after each letter you type. Movie titles will begin to appear in the

column next to the keypad. Use the right side arrow to get to the ON DEMAND list then arrow down to highlight the movie title you are wanting then press OK. This will take you to the screen where you can choose Rent, Preview, or Back. Enjoy the movies!
