

Vol. 19 No. 6 June 2021

Congratulations RC Technologies 2021 Scholarship Recipients!

Every year, RC Technologies has the joy and privilege of awarding two educational scholarships to two high school seniors graduating, whose plan is to attend a university or technical college in the fall, and whose parents or legal guardians are active patrons of RC Technologies.

To apply, these high school seniors are asked to complete a RC Scholarship application and to include: a resume of activities, clubs, achievements, or work history; an essay explaining ways they will use technology in their field of study or future career, along with two letters of recommendation and proof of acceptance into a technical college or university.

The RC Scholarship committee meets to review applications which are scored based on the documents they submit regarding their participation in activities, organizations and community involvement, the content and quality of their essay, and their letters of recommendations.

RC Technologies is proud to announce Carson Schmidt of Summit and Lindsey Mertens of rural Milbank, as this year's recipients of RC Technologies' 2021 Scholarships. Each of them will be individually awarded \$500 to use toward their higher education.

Amy Ochs, RC Marketing Manager, presented an RC 2021 Scholarship to Carson Schmidt on May 12th at Summit High School.

Carson Schmidt is the son of Mike and Dawn Schmidt of Summit. Carson has been involved in Student Council, FFA, Fellowship of Christian Athletics and has volunteered for the Red Cross Blood Drive. He also was involved football, basketball, track and powerlifting.

Carson will be attending South Dakota State University in Brookings in the fall and pursuing a career in Physical Education and Health.

Lindsey, the daughter of Darin and Lesa Mertens of rural Milbank, was the other recipient of a RC 2021 Scholarship.

Lindsey has been involved in FFA, 4-H, Fellowship of Christian Athletics, FFA Livestock Judging Team. Lindsey was very involved in sports: basketball, volleyball, cross country and choir.

Lindsey will also be attending SDSU, majoring in Ag Business and Marketing with a minor in Animal Health.

Lindsey Mertens receiving her RC Scholarship on May 17th at Milbank High School.

Lindsey with her mom and dad, Lesa and Darin Mertens of rural Milbank.

Congratulations to both recipients!

RC Technologies patrons who have upcoming high school seniors in the 2021-2022 School Year, your students can find scholarship information on our website, www.tnics.com. Three scholarships are currently listed... the **SDTA Scholarship** (Now Open, Deadline June 15, 2021.) **FRS Scholarship** (Open in Fall of 2021) and **RC Technologies Scholarship** (Open January 1, 2022). Check back for updated information.

What is Spoofing?

Spoofing is when a caller deliberately falsifies the information transmitted to your caller ID display to disguise their identity. Scammers often use neighbor spoofing so it appears that an incoming call is coming from a local number, or spoof a number from a company or a government agency that you may already know and trust. If you answer, they use scam scripts to try to steal your money or valuable personal information, which can be used in fraudulent activity.

If you weren't expecting a phone call, don't answer it. To learn more about spoofing, go online to <https://www.fcc.gov/spoofing>

Robocalls and Unwanted Texts

Cybercriminals are constantly looking for ways to scam people and steal personal information or trick people into giving them money. Some of the ways they do so is with robocalls and unwanted text messages.

Things You Can To Do

- Don't answer calls from an unknown caller. Never call back a number that is unfamiliar to you.
- **Register your cell phone number and home phone number** on the **DO NOT CALL REGISTRY**. Call **1-888-382-1222** from the phone number you want to register or register your phone numbers online at **www.donotcall.gov**.
- Be aware of Spoofed calls and Spoofed caller ID numbers that may trick you into answering your phone. If you do answer, hang up immediately. Don't reply to the simplest of questions.
- Scam callers may pretend to represent an organization, business or a government agency. Never give any person information or financial information, unless you can independently verify the number.
- You, Service Providers, and the FCC must work together, in a joined effort, to assist in eliminating the spoofing and scam callers.
- Find resources online at www.fcc.gov/robocalls

**To all the Dads
and those
who have been
father figures.**

Happy Father's Day!
