

# watchTVeverywhere

Take your RCTv wherever  
**YOU** go with  
**watchTVeverywhere**

WTVE is a free service  
that allows you to watch  
your TV subscription on a  
device with internet/wi-fi.

Go to <https://www.wtve.net>  
and get started!

## To Get Started with WTVE

1. Go online to [www.wtve.net](http://www.wtve.net)
2. There will be a field that says "Select Your TV Provider" Click or tap on it and scroll down to find 'RC Technologies' and click on it.
3. It will take you to 'Register' or 'Log In' and the RC logo will appear in the left corner. Click 'Register' and fill out the information required. (When your registration is finalized, next time you'll just have to choose 'Log In'.)
4. Enter your RC account number including zeros and the last name exactly how it appears on your RC bill. Continue filling out your first and last name, valid email address, confirm email, create a password (please remember this) and confirm password. Your password must be at least 8 characters, including UPPER/lowercase and numbers.

**\*\*\*IMPORTANT: Remember keep the email and password you entered handy because you will need them the next time you log in to your watchTVeverywhere account. RC does not store passwords.\*\*\***

# watchTVEverywhere

(Last Step - Register for an Account)

5. After completing the steps on the first page, check the email address you provided to COMPLETE and ACTIVATE your account with the link they sent. (Note: You must click the link WTVE sent to ACTIVATE your account. *Activation could take up to 8 hours.*)

## Accessing watchTVEverywhere (WTVE) On A Device

1. On your device, go to [www.wtve.net](http://www.wtve.net)
2. Click on **Log In**, then enter your email and password
3. Once logged in, **click on the channel logo of what you would like to watch**
4. You can also access content by going directly to the channel's website, or by downloading the channel app you would like to view, if one is available. The channel/network may require you to select 'RC Technologies' again as an authorization.

**\*\*\*4 users (devices) per account.**

**Please note:** You must be subscribed to RCTV Basic Package to utilize this service. Watching content on your mobile device may count against your device's data service plan. It's best to check with your mobile devices' data plan prior to connecting to cellular service wi-fi before accessing content. Data rates may apply. You are responsible for all fees charged by a mobile provider.
