- Directory Advertising

Okay, we know. We haven't got around to the turkey yet, but with supply chain woes like microchip shortages, worker shortages, etc. in part due to a pandemic the last several months... a lot of people are thinking about getting a jump start on their holiday shopping. Technology will continue to be a huge segment of the gift-giving, especially in the areas of digital entertainment, music, and devices! Below are some ideas on **what to give** and **what to get on your list**.

Gifts under \$49

Smart Tags

Smart Tags work with smart phones to help keep track of precious things, like car keys, wallets, etc. Great for people on the go!

Tile | tile.com

1-Pack to Multi Packs, \$24.99 & up

AirTag | apple.com

Single tag \$29, 4-pack \$99

Galaxy SmartTag | samsung.com
