Capital Credits To Be Paid Out In December

We are proud to announce, RC Technologies will be paying out $490,000 in capital credits to its cooperative patrons. Checks will be mailed out in December, a nice start to the holidays!

Amounts equal to or less than $24.99, checks will not be written, but instead applied as a one-time credit to your monthly RC bill. Customers will see this credit on their January bill on the first page.

The Distribution of Captial Credits is a top benefit to belonging to a cooperative. **The *Cooperative Spirit* between you and RC Technologies allows the Cooperative to succeed in providing the communities of: New Effington, Claire City, Wilmot, Veblen, Peever, Summit, Corona, Kranzburg, portion of Big Stone Lake, areas of Codington County, and many small communities in between,** state-of-the-art broadband with 100% fiber!

In doing so, it cultivates new and innovating ways for rural communities to THRIVE in areas of business, education, having options for healthcare, and more—enhancing our quality of life.

All of this could not have been done without YOU! Thank You for your participation in being a cooperative patron.

And, it's only the beginning. More Exciting News is on the way. We look forward to sharing that with you real soon!
