

ProtectIQ™ powered by CommandIQ 
We are Protecting You From Cyber Threats

We Protect You from Cyber Attacks

Within days of its acknowledgement, ProtectIQ network security from RC technologies began blocking the very dangerous Log4J bug.

ProtectIQ™

Enjoy online peace of mind while we keep the intruders.

Your devices are important to your life. ProtectIQ is your 24/7 internet watchman. With multi-layered protection, even your most vulnerable devices like smartTVs, thermostats and Wi-Fi cameras are protected before issues happen.

ProtectIQ puts a shield between your devices and bad actors, stopping threats before they ever make it to your devices.

No Equipment Required

ProtectIQ is integrated in your Wi-Fi router and use in the <your brand> app

24/7 Support

As part of the <your brand> Wi-Fi service we're here for you if you need us.

Network Security

ProtectIQ is whole home network security made easy

Secures the most vulnerable devices

From thermostats, cameras, smartTV's and baby monitors.

Viruses, Malware and Intrusions

ProtectIQ is constantly hunting for bad actors and stopping them at the front

Updated Daily

World-class cyber security that is updated daily to keep you safe.
