SPRING MODE:

## Zoom & Bloom

Make RC Open House Part of Your Plans

Hooray! Winter's Doom and Gloom is finally behind us. It's time to Zoom & Bloom! Shift hard into *Spring Mode*—harder than you ever have before—and make the most of it! Zoom around to all the fun events going on, and mid-month, gleefully plant anything that grows, then watch it bloom!

Here are a few things to get your May started:

**1. Take part in May Day on Monday, the 1st**

There are PLENTY of YouTube videos out there from DIYers with fun-to-do, little craft projects anybody can do and on a dime. Remember, even the tiniest gesture can be wonderful to a person.

**2. Find your Inner Jedi on May the 4th**

To *Star Wars* fans, *May the 4th*, isn't any old day, it's a reason to celebrate! Why not watch a *Star Wars* movie and see what you've been missing, if you've never watched one. You just might find your inner Jedi. If you have TV with RC, turn to *TBS, Channel 120* to catch *Star Wars* movies and if you have Disney+ stream *The Mandalorian* and other stormtrooper sagas.

In addition, May 4th is *World Password Day*. A day to remind us all to update and strengthen our passwords. Find these tips and more on *Latest Blog* at [trics.com](http://trics.com).

**3. Attend RC's Open House in New Effington on Thursday, May 11th, from 3:00 to 7:00 PM**

We invite patrons to join us at **10 Oddin Avenue in New Effington** to help celebrate RC Technologies new headquarters (HQ), with... refreshments and a tour of our office and building. Alumni who had attended the former New Effington School as a student or the faculty who had worked here will enjoy seeing its evolution and life being brought back to the building while taking a walk down *Memory Lane*. **Come join us! Thursday, May 11th, from 3 to 7 P.M.**

You're Invited To...

TECHNOLOGIES

## Open House

Thursday, May 11, 2023

3:00 to 7:00 PM

Join us for refreshments & a tour of the office and building in celebration of our new Headquarters!

**10 Oddin Avenue**

Happy  
Mother's Day

Sunday, May 14

## Honoring and Remembering

## Memorial Day

Monday, May 29th

RC offices will be closed on Monday, May 29th  
in observance of Memorial Day.

Congratulations  
Class of 2023

As you look forward to your future,  
remember to glance back  
to appreciate what it took to get here.

It's here!  
RC Stream

RC Stream is here! RC Technologies' Live TV Streaming app. RC Stream works with streaming sticks, just like other streaming service apps...Hulu, Netflix, and Disney+

RC Stream is a way to lower your TV bill by eliminating the need for cable boxes and the monthly equipment fees by using your very own Roku and Amazon FireTV streaming sticks. (AppleTV is coming!)

And—it's the same incredible RCTV channel lineup, a great mix of *local news*, *weather*, and *sports*, plus popular favorites!

If you already have a streaming stick and RC Internet, you could get started watching RC Stream almost immediately. Just search for *RC Stream* and look for the app badge on your FireTV stick or Roku stick and call RC Technologies for us to finish the final step for you.

Interested in *RC Stream* but not sure how to go about it? Call RC Technologies at 605.637.5211 Monday through Friday, 8 a.m. to 5 p.m. and we'll be happy to assist you on how to get started!

## 2023 SDTA Scholarship

Deadline June 15, 2023

The South Dakota Telecommunications Association (SDTA) will be awarding three scholarships for the Fall Semester. There will be one scholarship in the amount of \$2,000, and two scholarships in the amount of \$1,500 each. Applications are available online from any South Dakota post-secondary institution, student financial office, the SDTA office or any SDTA member company. For the application and other information on this scholarship, go online to:

[https://sdtaonline.com/sdta\\_scholarships.php](https://sdtaonline.com/sdta_scholarships.php)

Deadline for the 2023 SDTA Scholarship is June 15, 2023.
