Dog Days of Summer

As we head into the Dog Days of Summer, RC hopes it's been a terrific one so far!

And that you continue to enjoy the near perfect South Dakota summer days and the sunshine on your face (with sunscreen, of course) before they fade away.

If you've been running out of things to do or are looking for an escape from the heat and humidity, remember those *old school things* you did as a kid are still cool to do, both in trend and temperature!
