Just like the Thanksgiving, Streaming TV Is Bountiful

If you're not streaming, you're missing out.

5 Reasons You Should Be Streaming Right Now

With RC Stream and/or Something Else

#1 - It Lowers Your Monthly TV Bill

RCTV customers can turn in set top boxes and use your own streaming sticks to save \$4.95 a box per month. There is a little upfront cost for the sticks, saving \$4.95 x 3 boxes is approx. \$15/month, and is worth the savings in the long run.

The Big 4 Networks contract negotiations are this year (every 3 years). Going to RC Stream can help in balancing often times unavoidable rate increases from CBS, NBC, ABC and FOX.

#2 - Great Content

Some streaming services, like Freevee, Roku Channel, Prime Video, and Hulu have created some of their own really good content like, *Originals Series*, *Original Movies* along with having unique and plentiful movie libraries.

#3 - Streaming Services Have The Same Great TV Features

Recording, Play/Pause LIVE TV, Look Back TV features, great Guide info, and the ability to Search for programs and movies.

#4 - A Few FREE Streaming Apps

Freevee, Roku Channel, and YouTube have quite a bit of FREE programs to watch— some international— great if you're a penny-pincher or just want more programs to watch.

#5 - 'Indoor' Season Coming Time To Learn How To Stream

IMPORTANT NOTICE

Time Is Running Out To Watch Older DVR Recordings

The software support has sunset for a server housing older DVR recordings. A failure will result in old DVR recordings to disappear. It's hard to predict exactly when old DVR recordings will no longer continue to be available for you to watch or access. We suggest watching what you can now starting with your favorites.

We apologize for any inconvenience this may cause.
