Digital Spring Cleaning ✨

Just as spring is a time for physical cleaning, it's also a great time to "spring clean" digital spaces. This involves:

- Clearing out old files and emails
- Uninstalling unused apps
- Updating software and operating systems
- Organizing digital folders and cloud storage

Digital decluttering improves device performance and enhances digital security.

The Universal Connectivity Fee
found on your bill has increased from
36.3 percent to 36.6 percent (0.366)
for the second quarter of 2025.

NOW ACCEPTING 2025 FIBER-BUILD REQUESTS

Wi-Fi That's HOPPIN'

Happy Easter
& Hooray for Spring!

April brings fun spring activities, like hosting an Easter gathering or attending one as a guest. There will also be time spent researching of home improvement projects, a garden, or some flowerbeds... perhaps, all the above!

Well, you're in luck! You and your family have RC's fiber network, which means there's enough HOPPIN' Fast Wi-Fi to go around! Ready and Reliable for everyone, everywhere, and for anything, you want to do online!

It's Springtime!! Time to unleash your BEST and BRIGHTEST ideas for projects and a brand new season! Search Google, YouTube, and Instagram from home, your garage, or shop for inspiration, and get cracking! 🥚

*Happy Easter
to you and your family*

TECHNOLOGIES

RC Technologies is now accepting Fiber-build Requests for 2025 Projects

When planning a construction project, essentials like water, sewer, and power are often top of mind.

However, in today's world, where so much of daily life revolves around online activities—working remote, managing your household, streaming entertainment, security, and more—**Fiber Internet should be treated as an essential utility.** Including Fiber Internet in your pre-construction planning can be seamless and come at little to no cost to you.

If you know you have an upcoming project, start by calling your local South Dakota broadband provider, RC Technologies, at 605-637-5211 right away to get on our fiber dig list. Waiting too long to call can result in being further down on the list.

Big Stone Lake, Claire City, Corona, Kranzburg, New Effington, Peever, Summit, Twin Brooks, Veblen, Wilmot, Portions of Rural Watertown

Ways To Pay Your Bill

eBill Mobile App

Download and install eBill Mobile App from the Apple App Store or Google Play. For step-by-step instructions, visit RC'S website: <https://www.tnics.com> SUPPORT > GUIDES AND BROCHURES then under GENERAL to find the eBill Mobile App!

Online Bill Pay

Go to our website, <https://www.tnics.com> and look for dark blue bar at the top of the page, then click on \$ Bill Pay.

Auto Pay with a Card

Find an Auto Pay form online & on the back of your invoice to pay from a credit card or recurring from a bank account. You'll receive a one-time \$10 credit for Auto Pay & Paperless and recurring \$2/mo. credit after setup.

By Phone

Call 605-637-5211 and a Customer Experience Representative will verify your identity, confirm your monthly bill amount, and give you options on how to pay.

In-Person, Dropbox, or By Mail

Pay in-person, Monday-Friday, 8 am to 5 pm, use our dropbox next to the ATM, or mail a payment to: RC Technologies, PO Box 197, New Effington, SD, 57255.
