INTERNET MADE EASY— JUST FOR YOU!

No confusing tech jargon or guessing as which internet package fits your current need. RC is launching all-new plans designed with **you** in mind.

We know your time is valuable so we've streamlined the way you connect, upgrade, and troubleshoot — making it faster and simpler than ever.

And, that's not all...

We're excited to announce our newest speed yet: **1.5 Gig / 1.5 Gig Fiber Internet** — the biggest, fastest connection around! Great speed for streaming, gaming, & video calls.

Ready to find the perfect plan? **Visit us online at <https://www.tnics.com> and discover internet that fits your life!**

Digital Dynamo

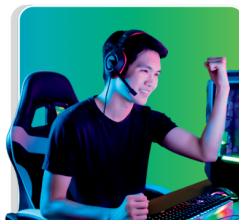

This package is for people who mostly surf, scroll through social media, check email, and are a light TV streamer. They keep up with family, friends, and neighbors by staying connected.

Gadget Go-Getter

This category fits most households, families who have a lot of devices and a lot more going on. They utilize smart home devices to control climate, operate appliances, and manage security, at home or away. And for them — entertainment and technology go hand-in-hand!

Metaverse Traveler

This package has gaming for the win! Gamers, move at lightspeed as you travel through metaverse, then brag about it. And in this house, multi-streaming capabilities is a must! It's also for the tech maximus! One who wants the best technology and best speed to go with.

METaverse TRAVELER 1.5 GIG/1.5 GIG

FOR THE ONE WHO WANTS TO GAME AND WIN IN LIGHTSPEED METAVERSE ADVENTURES,
A MAXIMUS WHO WANTS THE BEST MULTI-STREAMING CAPABILITIES,
